

£180 – £250

## CHASE

### R7 FINBACK

RRP: £240.00

With a back inspired by a fin whale, this truly is a distinctive offering from the maritime and naval county of Hampshire. The plunge down to the toe was like going back to the 1980s, and millennial Chris was unsure how it might hold up against a new ball, though was offset by a lovely light pick-up and a reassuring ping from the middle.

**Weight:** 2lb 7oz
