DAMAGE INVENTORY/ADDITIONAL NOTES *Please indicate area that requires repair*

CUSTOMER INFORMATION

- All repairs are expected to take between 7-10 days to complete. Repairs carried out during the cricket season may take longer due to a higher demand.
- Please avoid contacting us for updates until 10 days after sending. A member of the Chase team will contact you once the repair is complete.
- DO NOT send bat covers as we cannot guarantee their safe return.
- If you require return delivery, there will be an additional cost of £6.50. (up to 10kg)
- We offer our services regardless of the bat's brand. If you require new labels we can apply Chase stickers at an additional cost. The bat's quality will reflect our choice of stickers.
- Handle modifications include increasing/decreasing the thickness/size, reducing the flexibility in the handle & applying foam tape.
- If your repair is not listed below, a quote will be given upon receipt of the bat.

Although we have an outstanding reputation for our repair services, we cannot guarantee the bats longevity due to the harsh nature of cricket. By signing this form you're agreeing that you have read and understand the information above.
